Me and My Girl

A charming and witty musical with a bright, infectious score, **Me and My Girl** relates the tale of Bill Snibson, a Cockney lad who unexpectedly inherits the title and fabulous wealth of the Earl of Hareford. But there's a catch: the Earl's will states that the heir must be deemed a fit and proper person by Bill's blue-blooded aunt, the Duchess, who sets out to transform Bill into a gentleman. The will further requires the heir to marry an equally presentable wife - a description that clearly does not fit Sally Smith, the Cockney girl whom Bill refuses to leave behind. The resulting hilarity will keep you laughing throughout the whole show! (And G&S fans will love finding an uproarious scene pulled straight from the Savoy canon!)

Originally produced in London in 1937, **Me and My Girl** opened on Broadway in 1986 following a major West End revival, won three Tony Awards, and ran for over three years.

The show is filled with energetic songs and dances including *The Lambeth Walk, Leaning On a Lamppost*, and *Me and My Girl*. With a cast of over 50, and our thrilling full orchestra, you won't want to miss this exuberant VLOG production! **Order your tickets today!**
